## WANT TO LEARN NEW SKILLS WHILE GETTING PAID?

Trainees eligible for the On-The-Job Training (OJT) program get hired by an employer who will provide work-based instruction to gain job-specific skills in a real-world environment. We will provide you with a letter detailing the benefits of the training. This letter can be added to your resume to give you a competitive edge when applying for jobs, allowing you to earn a paycheck while you continue your training.

### Benefits:

- **Industry-Specific Training:** Gain in-demand skills and knowledge that align with an employer's needs.
- **Employment Opportunities:** Get hired by employers dedicated to your professional growth.
- **Valuable Experience:** Learn on the job and acquire hands-on experience while earning a paycheck.
- **Career Growth:** Unlock exciting career paths and possibilities with the foundation laid by on-the-job training.
